WORK EXPERIENCE

BUSINESS ASSISTANT TO CREATIVE DIRECTOR / CREATIVE OPERATIONS – VERTEX CGI – 1 Jul 2025 – 1 Feb 2026 – DUBAI, UNITED ARAB EMIRATES

Business or Sector: Arts, entertainment and recreation | **Email:** hello@vertex.network | **Website:** https://vertexcgi.com/

Vertex CGI is a Dubai-based creative-tech agency specializing in CGI, mixed reality, AI-powered content, and viral brand campaigns for global clients across fashion, automotive, entertainment, sports, tourism, and technology.

Key achievements:

Managed the launch of Vertex CGI's new website

- Led website structure, content logic, service page organization, case study presentation, and coordination between the Creative Director and implementation team.
- Built the website as a sales infrastructure asset by integrating it with HubSpot CRM, Slack notifications, and internal lead-management workflows; the website generated **50+ new leads** over 2 months after the launch and contributed to **$50,000+ in closed deals** with the new leads.

Coordinated 20 client reactivation meetings over 2 months,
including invitations, preparation, consultation materials, follow-ups, and internal alignment, contributing to **$130,000 in closed project deals**.

Structured HubSpot CRM and sales operations workflows for lead tracking, deal management, client communication, and pipeline visibility.

Created a full Customer Journey Map covering the client path from first contact to discovery, proposal, creative presentation, follow-up, production, delivery, and post-project communication.

Developed a best practices database for Personal Sales Managers, systematizing communication standards, follow-up logic, client handling principles, and reusable sales knowledge.

Produced educational AI content guides for internal/external use, covering AI image creation in ChatGPT.

- Executed the full production cycle for **PDF + video guides**, including content generation, document design, publishing, and final delivery.

BRAND MANAGER – DATABOOM.KZ – 1 Aug 2024 – Current – ALMATY, KAZAKHSTAN

Business or Sector: Professional, scientific and technical activities | **Department:** Public Relations | **Email:** info@databoom.kz | **Website:** https://databoom.kz/

DataBoom is Kazakhstan's largest **data analytics** school, offering a comprehensive digital learning platform.

Key achievements:

Organized Azure AI Day Conference in Almaty in partnership with Microsoft Kazakhstan (October 19, 2024).
Conference topics: Cloud technologies, AI and Data.

- Secured sponsors and partners: Microsoft Kazakhstan, Noventiq, LG Electronics, Realme.
- Led participant acquisition campaigns, resulting in 600+ registrations.
- Secured 11 high-profile speakers, delivering valuable content and fostering strong audience engagement.

Coordinated over 25 free activities for Kazakhstan's Data Community (august 2024 - october 2024).

- Managed Telegram and Instagram communities with over 50,000 participants.
- Organized workshops, webinars, and speaking engagements on **data and AI** technologies and digital content creation (e.g., certification guides, cheatsheets), ensuring seamless execution and content delivery.

Produced 5 episodes for a podcast on Data & AI technologies.

- Secured 5 high-profile guests, crafting tailored scripts for each by conducting in-depth research on compelling topics and formulating thoughtful, engaging questions to enhance the dialogue.
- Directed the editing process, ensuring sound clarity, smooth transitions, and the integration of visuals.
- Launched a marketing campaign to secure views on YouTube.

Launched the DataBoom branded merchandise store, driving brand growth and customer engagement.

- Completed the design process for 15 branded products and secured agreements with reliable suppliers.
- Launched a functional e-commerce platform with secure payment systems, product listings, and a user-friendly interface.

ASSISTANT TO FOUNDER – DATABOOM.KZ – 1 Dec 2023 – 31 Jul 2024 – ALMATY, KAZAKHSTAN

Provided administrative support, coordinated meetings, managed communications, assisted with finances, maintained stakeholder relationships, and delegated and supervised tasks.

Key achievements:
Coordinated over 25 activities for Kazakhstan's Data Community, including workshops, webinars, and speaking engagements, demonstrating skills in event planning, content creation, logistics, and promotion, significantly boosting visibility and engagement in the data platform community.
Coordinated three major conferences, Azure AI Day in Astana, Data Community Birthday, and DataBoom Birthday, demonstrating skills in event planning, participant acquisition, speaker engagement, and logistics, resulting in over 500 registrations and seamless operations for each event.

STRATEGIC PLANNING MANAGER – SOFI.KZ CHARITABLE FOUNDATION OF SUN FINANCE – 1 Mar 2023 – 7 Sep 2023 – ALMATY, KAZAKHSTAN

Played a key role in launching the foundation in July 2023 by overseeing branding, stakeholder relations, research, shelter projects, strategic planning, social media management, and team recruitment.

BUSINESS ASSISTANT TO THE CEO, CENTRAL ASIAN REGION – SUN FINANCE GROUP – 2 Nov 2022 – 7 Sep 2023 – ALMATY, KAZAKHSTAN

Supported executive tasks, conducted market research, created reports, enhanced HR brand awareness, coordinated PR efforts, and contributed to product development overall.

PROJECTS

1 DEC 2020 – 30 NOV 2021
iGEM International Synthetic Biology Competition among University Students

Selected as one of 16 team members for iGEM NU_Kazakhstan 2021 through a rigorous selection process, surpassing over 100 candidates.

iGEM is a prestigious global competition in synthetic biology, where multidisciplinary undergraduate teams design, develop, and execute innovative SynBio projects. Participants engage in both wet lab and dry lab experimentation, combining hands-on biological engineering with computational modeling and data analysis to address real-world challenges.

Our research project website: https://2021.igem.org/Team:NU_Kazakhstan

Key Achievements:

- **Gold Medal:** Achieved a Top 10 ranking among 255 global projects, with nominations in categories such as Best Environmental Project, Best Wiki Page, Best Inclusivity, and Best Sustainable Development.
- **Grant Acquisition:** Actively involved in securing $12,000 in funding for the project, including the "Təuelsizdik" Grant ($7,000), Jas Social Impact Grant ($2,500), and Impact Grant ($2,500).

Key Responsibilities:

- **Educational Materials:** Developed synthetic biology educational content in three languages, covering 6 regions, 18 villages, 20 schools, and reaching over 8,000 students across Kazakhstan.
- **International Biohackathon "Code-On":** Coordinated the first-ever Biohackathon in Central Asia, fostering interdisciplinary communication among students (200+ participants, 55 teams from 15 countries).
- **Nationwide Summer Camp:** Organized a camp to promote scientific literacy and iGEM among Kazakh high school students (500+ applications, 100+ participants).
- **Workshops & Open Lectures:** Delivered workshops and lectures on opportunities in biology.
- **Publications:** Contributed to articles on synthetic biology in journals such as "Alemin Zharigy," "Exponenta," and "Caravan of Knowledge."
- **Social Media Management:** Managed the project's social media pages.
- **Recruitment:** Led recruitment efforts, including designing a comprehensive selection program based on lectures and practical assignments for new members from Nazarbayev University.
- **Graphic Design & Website Development:** Created visual content and collaborated with developers on project websites.
